

2025 IRMCA Project Awards Applications are Now Open!

Each year, the IRMCA recognizes exceptional ready mixed concrete projects throughout the State of Indiana. Indiana Ready Mixed Concrete Association Members are invited to submit 2024 Projects for consideration to the anonymous IRMCA Judging Panel.

Applicants are encouraged to include as much detail as possible about the project. There is always more to a project than just its yardage number. Illustrate and thoroughly describe the challenges, wins, and teamwork required for the project's completion. Explain what makes your company's project unique. Let's hear about the specific project variables:

- Special Admixtures and Challenging Placements
- Tight Deadlines and Exceptional PM
- Innovative Designs and New Technology
- The more details, the better!

APPLICATION: Complete the enclosed application form, including all project details and highlighting the variables, successes, and struggles of the project. If needed, additional pages can be added to the Project Summary and/or Unique Project Aspects sections.
